welcome to the
FLYING SPAGHETTI MONSTER

This restaurant and menu
is a product of
thousands of miles of travel
in search of great Italian food
three years of research
and
a lifetime of picky eating.

Great food is what you will find here.
We source most of our ingredients from
Italy, other parts of Europe and locally
from top grade fresh farm produce.

We're pretty chilled out and we believe in 'GREAT
FOOD' rather than its fancy arse pretentious cousin
'fine dining'

This essentially means YOU WON'T FIND A PICASSO ON
YOUR PLATE. Just wholesome tasty food.

We normally DON'T DO DISCOUNTS.
We don't add on
WELL CAMOUFLAGED RIDICULOUS CHARGES at the end
of the bill
We like it SIMPLE AND HONEST!

There is no fine print. Our menu prices are
inclusive of all annoying government taxes.

There is
NO SERVICE CHARGE
and

WHAT YOU SEE IS WHAT YOU PAY

Just don't ask us to change the music. OK?

Cheers!
